

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

As a cellphone user I am distressed by the rudeness of people using celphones in confined areas. I can think of no more confined area than an aircraft. The last thing anyone needs while attempting to sleep or relax on a crowded aircraft is to be surrounded by people carrying on inane conversations at max volume. Give us one break.

Please leave the current rules in effect.

Sincerely,

Martin Vetere
